

# PENAIR® C5575

## Exterior Aircraft Cleaner, Gel Type Degreaser

- **Penair C5575** is a low voc, heavy-duty cleaner that has been thickened in order to cling to vertical and overhead surfaces.
- The thixotropic properties of **Penair C5575** allow it to be applied to soiled surfaces without product runoff. This allows for an increased contact time, which results in better cleaning performance, decreased labor, and reduced man-hour requirements.
- **Penair C5575** will not harm aircraft paints and is non-corrosive to aerospace metals.

### Use procedure

Apply **Penair C5575** using pressure spray (use coarse spray only), foam equipment, or bucket and brush.

### Dwell time/operation time

Allow product to dwell 5 to 15 minutes, brush if necessary, then spray with fresh water to rinse. Brush again.

### Rinsing

Rinse again to completely remove cleaner.

### Concentration

Use undiluted.

## Features and Benefits

- Thixotropic gel
- Less than 10% VOC
- Free rinsing
- Increased dwell time
- Excellent cleaning performance
- Non-corrosive to aerospace metals
- Leaves a residue-free surface
- Eliminates streaking

## Available Sizes

- 55 gallon drum
- 5 gallon pail

## Approvals

- MIL-PRF-85570E Type V
- AMS 1523B, Boeing D6-17487 Rev.P
- Douglas Aircraft CSD-1

## Physical Properties

Appearance	Clear to hazy, yellow-orange viscous liquid
Odor	Mild citrus
pH	About 9
Freezing Point	About 32°F
Boiling Point	About 212°F
Flash Point (TCC)	145°F
Relative Density	1.00
Auto-Ignition Temperature	Not determined
Water Solubility	Complete
Viscosity	Not determined (viscous shear thinning liquid)

## Incompatibility

Strong acids, bases or oxidizing agents.

## Warehousing Precautions

Store in a well ventilated place. Keep cool. Keep container tightly closed when not in use. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

## Personal Protection/Security Equipment

## WHMIS

## First Aid Measures

**If in the eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for several minutes. If eye irritation persists or develops: Get medical advice or attention. Chemisphere recommends that after any eye exposure a physician be seen immediately.

**If swallowed:** Immediately call a poison center, doctor, physician or other competent medical authority. Rinse mouth. Product presents an aspiration hazard.

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

**If on skin (or hair):** Wash with plenty of water or a mild soap. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice or attention.

**IMPORTANT:** Before using PENAIR® C5575, always be sure to read and follow precautions and directions for use appearing on the product container label and the safety data sheet (S.D.S.)
