

# PENAIR® HD-4 RTU

# Aircraft/Aerospace Equipment Cleaner

- Penair HD-4 RTU is a biodegradable aircraft cleaner specifically designed for use on all types of aerospace equipment, including aircraft exteriors and aerospace ground equipment (AGE).
- Penair HD-4 RTU is a mild liquid alkaline cleaner containing corrosion inhibitors and heavy duty surfactants that make it highly effective on the toughest of aircraft soils, including exhaust carbon, hydraulic oils, boots prints, and solid film lube. It replaces cleaners that contain toxic or environmentally harmful ingredients thereby allowing aircraft maintenance personnel to comply with stringent EPA and OSHA standards.

#### Use procedure

Shake container to mix content before use. Apply a small amount to the surface without allowing it to run. Wipe off with a clean cloth. In the sun, use a damp cloth to wipe off cleaner to prevent streaks.

#### Features and Benefits

- Non-toxic
- No petroleum or chlorinated solvents
- Heavy-duty cleaner
- Reduces cleaning costs

- Low VOC's
- Reduces hazardous waste
- Improves worker safety
- Improves aircraft appearance
- Reduces maintenance
- Non-corrosive to aerospace metals

#### **Available Sizes**

- 11 oz. (aerosol) (12 case)
- 24 oz. spray bottle (12 case)

# **Approvals**

MIL-PRF-87937D TYPE IV

Chemisphere 2101 Clifton Ave, St. Louis, MO 63139

integritypartnersgrp.com

ecpchem.com

#### **Physical Properties**

Appearance	Clear to light yellow/ amber liquid
Odor	Mild
рН	About 8.5
Freezing Point	About 32°F
Boiling Point	About 212°F
Flash Point (TCC)	None to boil
Relative Density	1.01
Auto-Ignition Temperature	Not applicable
Water Solubility	Complete
Viscosity	10-30 CP at room temperature

# Incompatibility

Strong acids or bases

## **Warehousing Precautions**

Keep container tightly closed when not in use. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

### Personal Protection/Security Equipment

#### **WHMIS**

#### First Aid Measures

If in the eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for several minutes. If eye irritation persists or develops: Get medical advice or attention. Chemisphere recommends that after any eye exposure a physician be seen immediately.

If swallowed: Immediately call a poison center, doctor, physician or other competent medical authority. Rinse mouth. Product presents an aspiration hazard.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

If on skin (or hair): Wash with plenty of water or a mild soap. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice or attention.
