

# WINDOW JETKLEER®

## Non-Streaking, Industrial Strength Window Cleaner

- **Window Jetkleer** is an advanced formula window cleaner that is non-streaking and safer to use than most products available today.
- **Window Jetkleer** has excellent lubricity and is easier to wipe clean with its “static release” feature, resulting in a one-step cleaning process.
- Windows in an industrial environment where atmospheric dust clings to glass are now easily cleaned with **Window Jetkleer**.

### Use procedure

Spray undiluted **Window Jetkleer** lightly onto surfaces to be cleaned. Do not over spray. Wipe dry with a clean, lint-free cloth or paper towel.

## Features and Benefits

- Cleans streak-free
- Safe on polycarbonate & acrylic
- Versatile product
- Pleasant odor
- Free of ethylene glycol butyl ether
- Saves time & labor costs
- Fast evaporation

## Available Sizes

- 55 gallon drum
- 4 x 1 gallon case
- 5 gallon pail
- 32 oz. (pump spray) (12 case)

## Approvals

- AMS 1535B
- T.O. 1C-135(K) R2-2GA-2 (for KC-135s)

## Physical Properties

Appearance	Blue liquid
Odor	Mild
pH	9.0-9.5
Freezing Point	32°F
Boiling Point	212°F
Flash Point (TCC)	None to boil
Relative Density	1.00
Auto-Ignition Temperature	Not applicable
Water Solubility	Complete
Viscosity	Equal to water

## Incompatibility

Strong acids or bases

## Warehousing Precautions

Keep container tightly closed when not in use. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

## Personal Protection/Security Equipment

## WHMIS

## First Aid Measures

**If in the eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for several minutes. If eye irritation persists or develops: Get medical advice or attention. Chemisphere recommends that after any eye exposure a physician be seen immediately.

**If swallowed:** Immediately call a poison center, doctor, physician or other competent medical authority. Rinse mouth. Product presents an aspiration hazard.

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

**If on skin (or hair):** Wash with plenty of water or a mild soap. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice or attention.

**IMPORTANT:** Before using WINDOW JETKLEER®, always be sure to read and follow precautions and directions for use appearing on the product container label and the safety data sheet (S.D.S.)
